

**REMARKS**

In view of the following remarks, Applicant respectfully requests reconsideration and allowance of the subject application.

Claims 1—109 were previously cancelled.

Claim 110, 112, 113, 117, 119, 120, 122 and 123 are currently amended.

Claims 114—116, 121 and 124—129 are previously presented.

Claims 111 and 118 are cancelled.

**Section 101 Issues**

The Applicant has amended Claim 110 in effort to overcome the Section 101 rejection. In a telephone interview on Wednesday 18 April 2007, the Examiner and Applicant's attorney discussed addition of the word "storage" and modification of the Specification at page 13 are sufficient to overcome the Section 101 rejection. Accordingly, the Applicant submits that the Section 101 rejection of Claim 110 is overcome.

**Section 103(a) Rejection of Claims 110, 114, 115 and 117**

In a telephone interview on Wednesday 18 April 2007, the Examiner and Applicant's attorney discussed the rejection of Claims 110 and 117, the prior art of record and the allowable subject matter. Because of that discussion, the Applicant believes that the amendment of Claims 110 and 117 have brought all claims into condition for allowance.

**Allowable Subject Matter**

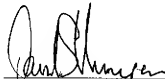

In the last Office Action, Claims 124—129 were allowed and Claims 111—113, 116 and 118—123 were found to contain allowable subject matter. As a result of the claim amendments and the Examiner interview, the Applicant submits that all claims are currently in condition for allowance.

**Conclusion**

The Applicant submits that all of the claims are in condition for allowance and respectfully requests that a Notice of Allowability be issued. If the Office's next anticipated action is not the issuance of a Notice of Allowability, the Applicant respectfully requests that the undersigned attorney be contacted for the purpose of scheduling an interview.

Respectfully Submitted,
